

BIRTH TO 3 PROGRAM MISSION

The Birth to 3 Program is committed to serving children under the age of 3 with developmental delays and disabilities and their families. We value the family's primary relationship with their child and work in partnership with the family. We work to enhance the child's development and support the family's knowledge, skills and abilities as they interact with and raise their child.

If you have any questions regarding your child's development or would like to make a referral to the Birth to 3 program please contact:
