ADMISSION**

"Best Small
Museum in
the Midwest"

Chicago Tribune Travel

Educational exhibits

show the unique
history of Door County
as well as the history of
rural and small
town Wisconsin.

The museum's fire station

is a replica of the turn-
of-the-century building
that served Sturgeon

Bay's
original
"Pioneer
Fire

Company." It houses three fully
restored trucks and fire-fighting
artifacts. Children of all ages may
sit on the 1920 Oldsmobile.

Mike Orthober,
national award
winning artist
and taxidermist,
created a
spectacular

natural history wildlife diorama.

It
encompasses four seasons and
features a life-sized beech tree
along with native species including
over 90 birds, white-tailed deer,

bear,
badger,
fisher
and
more.
