

**DOOR COUNTY LAND AND WATER RESOURCE MANAGEMENT PLAN
LOCAL ADVISORY COMMITTEE**

**Tuesday February 25, 2020, 1:00 pm
Door County ADRC, 916 N 14th Ave, Sturgeon Bay**

The Door County Soil & Water Conservation Department must appoint and consult with a local advisory committee to develop the next ten-year Land and Water Resource Management Plan for Door County. The plan identifies Door County's land and water resource concerns and develops goals that will guide department programs in the protection of those resources.

Notice is hereby given that a quorum of the Door County Board of Supervisors or formally constituted sub-units may attend this meeting. These Public Input Sessions are not intended as a meeting under § 19.82(2), Wis. Stats. Members will not be gathered to conduct government business, and will take no formal or informal action on any matters.

This is intended to comply with Wisconsin's Open Meetings Law notice requirements, including § 19.84, Wis. Stats.
