Deviation from order shown may occur
Call Meeting to Order
The Wednesday, February 12, 2020 Facilities and Parks Committee meeting was called to order by Chairman Dan Austad at 9:00 a.m. at the Door County Government Center.

Establish a Quorum
Members present: Dan Austad, Helen Bacon, Roy Englebert, Randy Halstead, Susan Kohout, Ken Fisher, and Richard Virlee.

Adopt Agenda / Properly Noticed
Motion by Halstead, seconded by Bacon to approve the agenda. Motion carried by unanimous voice vote.

Approve Minutes of January 8, 2020 Regular Facilities & Parks Committee Meeting
Motion by Virlee, seconded by Kohout to approve the minutes. Motion carried by unanimous voice vote.

Correspondence
- Town of Sevastopol and Land Use Service Dept re: Conditional Use Permit
- MFL Withdrawal Order
- Supervisor Kohout has received calls related to erosion at LaSalle Park

Public Comment
The following persons commented:
- Mark Tlachac, Mount Olive Road
- Don Freix, 8305 Quarterline Road, Fish Creek

Supervisor Response
Chairman Austad will place shoreline erosion in County Parks on a future F&P agenda.

Parks Division
Friends of the Door County Parks System Report
Parks Superintendent Ben Nelson reported the Friends Group had a meeting in February to regroup and begin planning for future projects.

Recreation Connection Trail Egg Harbor-Frank Murphy Park-Ryan Heise, Egg Harbor Village Administrator
Ryan Heise, Administrator Village of Egg Harbor, presented a PowerPoint overview of a concept recreation connection trail connecting the Village Beach to Frank Murphy Park.

Annual Report 2019 Department Gifts, Grants, and Donations
The report was included in the meeting packet and was reviewed.

Annual Report Department
The draft report was included in the meeting packet and was reviewed.
Forestville Millpond Drawdown Update
Nelson reported the water level is at 50% of the sluice valve; a more defined channel can be seen. The drawdown is going well. A new fact sheet was included in the meeting packet and was reviewed. This information will be posted on the website and mailed to property owners. The County is no longer collecting daily water samples.

Nelson met with members of the Southern Door Fire Department regarding installation of a dry hydrant. Nelson has contacted the DNR to determine if there is a need for any permitting should the project move forward. The Department has a potential grant to assist with a portion of the expense to install the dry hydrant; the expense of installation is the responsibility of the SD Fire Department. It is anticipated a Memorandum of Understanding will need to be drafted if the project moves forward. Nelson anticipates the DNR will present information related to the installation of the dry hydrant at the March meeting.

Master Planning Update
Nelson reviewed the first draft of the Master Plan. Land Use Services Director Mariah Goode and Planner Becky Kerwin were present at the meeting. Mariah and Becky have compiled the majority of the first draft of the plan. One more public input meeting will be held to present the draft before finalizing the plan to move it on to County Board.

Motion by Englebert, seconded by Kohout to authorize staff to move forward on holding a public hearing on the Master Plan. Motion carried by unanimous voice vote.

Goode introduced and Kerwin presented research information related to indoor recreation ideas for John Miles Park. Spritka noted the current planning for the parks does not include planning for recreational facilities; staff does not recommend including recreational planning for the parks in the 2020-2025 Master Plan as it is not a core function of the parks system. If an opportunity arises related to recreational facilities the County can address it at that time.

Property Acquisition: PIN(s) 012150014A, 012150067B, 012150070A, 2.3 acre New Potential Park - Review/Discuss
Nelson reviewed information included in the meeting packet. The owner of the parcel contacted Nelson to see if the County was interested in the parcel for a park/boat launch. There are 3 separate parcels; one parcel has a 3,000 sqft building. Current asking price is $900,000. There would be a major investment to develop the parcels into a park. County staff does not recommend the purchase.

Motion by Fisher, seconded by Virlee to not pursue the purchase of the parcels at this time. Motion carried by unanimous voice vote.

Resident/Non-Resident Boat Launch Fee Discussion
Nelson reported there has been a change to the resident and non-resident launch permits. Persons purchasing launch permits will need to provide their drivers license to determine their residency.

Facilities Division
Sheriff Department Storage Building Project – Update
Spritka presented and reviewed the proposed siting and construction plans. The plans need to be reviewed and approved by the City of Sturgeon Bay’s Aesthetic Design & Site Review Board

Motion by Fisher, seconded by Englebert to approve the plans as presented and pass it on to the City’s Aesthetic Design & Site Review Board. Motion carried by unanimous voice vote.

Animal Policy Update 1-6-2020 Draft
Resolution No. 2020-___ Door County Animal Policy
Spritka presented a policy rewrite/update which incorporates the State ADA policies.

Motion by Virlee, seconded by Halstead to pass approve the Animal Policy and pass it on to County Board. Motion carried by unanimous voice vote.
Review/Accept/Award of Bid for 2020 Facilities & Parks Vehicle Replacements

2 Department Vehicles
Motion by Halstead, seconded by Englebert to accept the bids. Motion carried by unanimous voice vote.

1/2T pickup for the Facilities Division; recommendation is to purchase the 1/2T work truck from Ewald.

Motion by Fisher, seconded by Bacon to approve the purchase of the 1/2T truck from Ewald. Motion carried by unanimous voice vote.

F250 pickup; recommendation is to purchase from Ewald.

Motion by Kohout, seconded by Halstead to approve the purchase of the F250 truck from Ewald. Motion carried by unanimous voice vote.

1 Park Division Lawn Mower
Zero-turn Toro lawn mower with ride suspension for the Parks Division. Mays Sports Center was the only bid in the amount of $12,409.

Motion by Bacon, seconded by Virlee to approve the purchase of the 2020 Toro 6000 Series 72” Deck lawn mower from Mays Sports Center for $12,409. Motion carried by unanimous voice vote.

2019 Snow Removal Cost Review – FYI
Information included in the meeting packet was reviewed.

Door County Library 2020 CIP – Boiler Replacement – Review/Approve RFP Documents for Bid
$63,000 is budgeted for the replacement. Bid documents were reviewed.

Motion by Fisher, seconded by Bacon to approve sending the boiler replacement out for bid. Motion carried by unanimous voice vote.

Door County Justice Center 2020 CIP – LED Lighting Upgrade – Review/Approve RFP Documents for Bid
Spritka reviewed the specs and outline to replace all lighting (that hasn’t been previously upgraded) at the Justice Center into LED fixtures or straight replacement of bulbs. If bids come back favorable this will complete the entire upgrade.

Motion by Bacon, seconded by Fisher to approve going out for bid to complete the LED lighting upgrade for the Justice Center. Motion carried by unanimous voice vote.

Request to Refill 2 Positions: Custodian Full-Time and Custodian Part-Time
The positions are open due to resignations. Both positions have been included in the 2020 budget.

Motion by Kohout, seconded by Virlee to approve the request to refill both positions. Motion carried by unanimous voice vote.

56 N 4th Ave (Former Younkers Site) Building Study – Update
Administrator Pabich and Spritka distributed and reviewed results of the study. The design includes 1,300 sqft of space for the Archives. Half of the proposed Archive space would be filled with current inventory leaving the remaining portion for expansion of the Archives. It is anticipated the proposed space will be able to accommodate the Archives for up to 30 years. Spritka reviewed the proposed layout design of the building. Solar power for the building has been explored. The approximate costs to add a 160kw solar system is $400,000. A structural analysis would need to be completed to determine if the building can support such a system. The design allows space for the Youth Connection Center (YCC) currently housed at the P.A.T.H. building and the remaining area allows for leased tenant space and/or future county expansion. A full presentation by Enberg Anderson Architects along with estimated costs will be presented to the full County Board at this month’s meeting.
Motion by Fisher, seconded by Kohout to accept the presentation and support the design as presented and to pass on to County Board for their approval. Motion carried by unanimous voice vote.

**Emergency Services Facility Parcel Study– Washington Island Update**
A meeting is being held tomorrow with The Samuels Group.

**Placement Options for Ch. 980, Wis. Stats. Persons on Supervised Release**
Administrator Pabich updated the committee; currently the County has 5 individuals that fall under the placement option. The County is required to have a place to house these individuals upon release. Options for housing are being explored. This will be a have to do; there are no other options.

**Fair Board Liaison Report**
**John Miles Park 2020 CIP Project Discussion**
Supervisor Englebert updated the Committee on the latest Fair Board meeting – all bands have been contracted for the 2020 Fair. The Fair Board has asked the County to construct a stage/bandstand so they do not have to continue to rent a portable stage. Supervisor Halstead noted the Fair Board is beginning to plan for the sesquicentennial Fair in 2021.

Administrator Pabich asked that the John Miles Park 2020 CIP project discussion be deferred to next month’s meeting.

**Request for Agenda Items for Next Month’s Meeting**
- Shoreline erosion in County Parks

**Review of Vouchers, Claims and Bills**
Reviewed.

**Next Meeting Date: Regular Meeting**
Wednesday, March 11, 2020 – 9:00 a.m.

**Meeting Per Diem Code**
212.

**Adjourn**
Motion by Virlee, seconded by Bacon to adjourn. Time: 11:37 a.m. Motion carried.

Respectfully submitted, Jill M. Lau, County Clerk
# INTERNATIONAL MIGRATORY BIRD DAY

## TO THE DOOR COUNTY BOARD OF SUPERVISORS:

WHEREAS, Migratory birds are some of the most beautiful and easily observed wildlife that share our communities, and

WHEREAS, Many citizens recognize and welcome migratory songbirds as symbolic harbingers of spring, and

WHEREAS, These migrant species also play an important economic role in our community, controlling insect pests and generating millions in recreational dollars statewide, and

WHEREAS, Migratory birds and their habitats are declining throughout the Americas, facing a growing number of threats on their migration routes and in both their summer and winter homes; and

WHEREAS, Public awareness and concern are crucial components of migratory bird conservation; and

WHEREAS, Citizens enthusiastic about birds, informed about the threats they face, and empowered to help address those threats can directly contribute to maintaining healthy bird populations, and

WHEREAS, Since 1993 International Migratory Bird Day (IMBD) has become a primary vehicle for focusing public attention on the nearly 350 species that travel between nesting habitats in our communities and throughout North America and their wintering grounds in South and Central America, Mexico, the Caribbean, and the southern U.S., and

WHEREAS, Hundreds of thousands of people will observe IMBD, gathering in town squares, community centers, schools, parks, nature centers, and wildlife refuges to learn about birds, take action to conserve them, and simply to have fun, and

WHEREAS, While IMBD officially is held each year on the second Saturday in May, its observance is not limited to a single day, and planners are encouraged to schedule activities on the dates best suited to the presence of both migrants and celebrants, and

WHEREAS, IMBD is not only a day to foster appreciation for wild birds and to celebrate and support migratory bird conservation, but also a call to action,

NOW THEREFORE, BE IT RESOLVED, That the Door County Board of Supervisors does hereby proclaim the second Saturday in May, as International Migratory Bird Day in the County of Door.

BE IT FURTHER RESOLVED, That the County Board urges all citizens to celebrate this observance and to support efforts to protect and conserve migratory birds and their habitats in our community and the world at large.

## Certification:

I, Jill M. Lau, Clerk of Door County, hereby certify that the above is a true and correct copy of a resolution that was adopted on the 24th day of March, 2020 by the Door County Board of Supervisors.

Jill M. Lau
County Clerk, Door County

Cana Island Nature & Interpretive Trail Proposal

UPDATED: February 24, 2020

The Door County Maritime Museum is proposing to create an interpretive (nature) trail at Cana Island.

The proposed interpretive trail follows previously established trails that already exist parallel to the beach (the proposed route is illustrated on Attachment 1). The trail would start near the south beach access in the rock wall and follow the remaining rock wall into the woods, along the south and west shoreline, passing the area were the boathouse and docks once stood. It would end at the gravel road were the Admissions Shack was located in past years.

DCMM is proposing this trail to showcase and highlight the unique geological structure of the island. When a visitor walks the proposed trail route, it is easy to see that Cana Island shares the same geological formations and traits as the nearby Ridges Sanctuary. Currently, this very interesting and unique aspect of the island is not visible to any island guest, and thus currently not available for an interpretive opportunity.

In addition to educational opportunities, the trail will also bring a new marketing opportunity by drawing attention to the unique Door County geo-trait that can be seen in and around the Ridges Sanctuary as well as on Cana Island.

DCMM Cana Island Site Manager Hal Wilson has surveyed the trail route and reports: “other than removing some minimal brush and clearing a few small fallen trees, there would be minimal impact to vegetation.” Additionally, we believe there will be an undisturbed natural area of approximately 20’ to 30’, more in some areas, between the high water mark (berm) and the walking area.

The area is currently accessible to foot traffic, but would need some improvements to ultimately conform with ADA requirements. This would include the addition of gravel material, and an occasional short run of boardwalk-type wood structures.

Currently, we envision simple trail markers at the beginning, and small signs (example: small numbered lighthouses) would mark the path for visitors to follow. There would be no markings visible from the gravel area at the end of the trail where it rejoins the gravel road, so as to keep the foot traffic going only in one direction.

Interpretive opportunities consist of the ridge-like geography, its creation, as well as interpretive signage for various types of plant and animal life. Benches could be placed periodically along the trail.

The goal would be to have the interpretive trail marked and open to foot traffic (only) for the 2020 season. Further improvements including ADA accessibility, could come later in the 2020 season, or be ready for the start of 2021. Between DCMM staff and the assistance of Boy Scout Troop 80, we can meet the May 2020 opening for foot traffic, but would need assistance from Door County Parks to make the handicapped accessible changes.

We’d be happy to meet, and discuss any of these ideas. Thank you for your consideration.

County Administrator Date 3-4-2020

Administrative Committee Chair Date
General Summary

This position is responsible for the managerial, and administrative work in planning, organizing and directing the programs, operations, and services of the Door County Parks under the Facilities and Parks Director. This position must also act in a backup capacity in the absence of other managerial staff for the overall facilities department. As a manager you are expected to be available as needed 24/7 to respond to evening and weekend activities. Provide truthful and accurate written and verbal communications.

Duties and Responsibilities

Essential Job Functions
1. Responsible for the overall operation of the County Parks.
2. Assist with the development and administration of the Parks budget.
3. Direct the maintenance and repair of park facilities, equipment and grounds.
4. Ensure safe operation and use of park facilities.
5. Researches and writes applicable grant applications that are beneficial to Door County Parks.
6. Works in sync with the Facilities and Parks Director for hiring, evaluating, training and disciplining of regular and seasonal staff.
7. Work with the Land Use Services Department on developing, updating and implementation of the Counties five-year Outdoor Recreational Plan.
8. Provide truthful and accurate written and verbal communications.
9. Recommends park facility use policies to Facilities and Parks Director and oversight committee for review and implementation.
10. Responsible for timely preparing and submitting all State and Federal reports, reviews and administers State Land Lease Agreements pertaining to Door County Parks.
11. Functions as Door County Snowmobile Trails Coordinator and oversees State Snowmobile Trail Funds in Door County.
12. Works with Facilities and Parks Director to coordinate capital construction projects related to Door County Parks including, but not limited to, harbor and boat launch construction, dredging, property development and building construction.
13. Maintains an up-to-date inventory of equipment and supplies.
14. Responds to citizen’s requests and complaints concerning park programs and facilities.
15. Attend conferences, workshops and meetings as well as use periodicals and related publications to continue updating education and knowledge of related fields.
16. Representative on the Friends of Door County Parks System Organization and other related external organizations.

General Job Functions
1. Represents Parks interests on various community committees currently including, but not limited to bike paths, scenic byways, and snowmobile trails.
2. Works with and builds partnerships with Community organizations like Door County Land Trust, Door County Nature Conservancy, Door County Maritime Museum, Town Boards, and State and Federal Agencies.
3. Requires periodic monitoring of all County Parks to ensure maintenance is up to date and forecasting of future needs are identified.

4. Requirements

Training and Experience
1. Bachelor’s Degree from an accredited college in Recreational Management, Facilities Management or a related field required.
2. Three (3) or more years of responsible work experience; or an equivalent combination of training and experience with minimum three (3) years managerial experience.
3. Encouraged to obtain certification as a “Certified Park and Recreation Professional” (CPRP) through the Wisconsin Park and Recreation Association within 2 years of employment.
4. Current valid Wisconsin driver’s license required; Commercial Wisconsin driver’s license recommended.

Knowledge, Skills, and Abilities Required
1. Considerable knowledge of relevant parks program administration, facilities management and planning activities, policies, practices and techniques.
2. Working knowledge of relevant State and Federal Laws, rules and regulations.
3. Ability to work nights and weekends as needed for meetings or special events.
4. Ability to manage a wide variety of parks, activities and facilities.
5. Ability to develop and maintain effective department policies, practices, and standards within public policy parameters.
6. Ability to manage personnel both directly and through subordinate supervisors.
7. Ability to establish and maintain effective working and public relationships and to represent Parks interests in a wide variety of venues.
8. Ability to read, comprehend, and communicate, both verbally and in writing.
9. Ability to research, write and administer grants at Federal, State and local levels.
10. Knowledge of grounds, facilities and equipment maintenance and repair.
11. Knowledge of safe work practices and safe park equipment and design.
12. Ability to prepare, present and administer annual department budget.
13. Ability to plan and administer departmental work schedules, contracted projects and meet established deadlines.
14. Ability to use tact and courtesy in maintaining an effective working relationship with department employees, county supervisors, county officials, and general public.
15. Ability to operate, maintain and repair park equipment, including mowers, tractors, snow removal equipment and signs, and direct others in the same.
16. Responds to citizen’s requests and complaints concerning park programs and facilities and informs public regarding the rules and regulations governing the use of park facilities.

Physical & Working Conditions
Portions of time are spent in administrative functions which include but are not limited to talking, listening, using both far and near vision, use hands to finger, handle, feel or operate computer, phone, calculator, etc. and to reach with hands and arms with medium (20-40 lbs.) lifting requirements. Some standing, stooping, walking, and climbing stairs is required. Travel to and within County Parks may also include kneeling, crouching, crawling, running, swimming, climbing ladders, balancing bending and twisting, reaching feeling and pushing heavy objects. Occasional time maybe spent outdoors in temperatures ranging from extremely cold to warm, humid, weather depending upon the season. Limited exposure to vibration, noise, fumes, odors, dust, heights, heavy lifting (10-80 lbs.) and exposure to mechanical, electrical, or chemical hazards may be present but can be avoided or minimized with proper safety practices.
County of Door
Parks Manager

In an effort to provide for continuity of County government and to cope with the problems of the emergency, you may be required to work during a proclaimed state of emergency, consistent with Sec. 323.14, Wis. Stats. and County emergency management plans and programs.

The above is intended to describe the general content of the requirements for the performance of this job. It is not to be construed as an exhaustive statement of duties, responsibilities or requirements. They may be subject to change at any time due to reasonable accommodation or other reasons.

**Disclaimer:** This Fiscal Impact does not include Step 2 $30.60, Step 3 $31.45, Step 4 $32.30, or Step 5 $33.15.

This Fiscal impact is an example illustration of what the costs would be for this position/position change. It is based on estimates and assumptions provided by the Human Resources Department and/or the department in which this position works. Because these estimates and assumptions may change, or may be different than the actual circumstances at the time that this position is filled or this position change takes place, there may be a difference between the costs projected in this Fiscal Impact and the actual costs.
LITTLE LEAGUE BASEBALL WINTER PROGRAM AGREEMENT
JOHN MILES COUNTY PARK

This Agreement dated____________, 2020 is made by and between the County of Door ("County"), a body corporate, and the Little League Baseball Program.

Now, therefore, in consideration of the promises and obligations of this Agreement, the benefits of which are intended to extend to each of the parties, the County and the Door County Cal Ripken Baseball Program agree as follows:

1. The term of this Agreement shall commence March 11, 2020 and shall terminate April 30, 2020. County may terminate this Agreement upon seventy-two hours prior written notice to Door County Little League Baseball Program. This Agreement may be extended upon the written consent of each party.

2. The County grants to the Little League Program the non-exclusive privilege to use the Junior Fair Building ("Premises") located at John Miles County Park, 812 North Fourteenth Avenue, Sturgeon Bay, Wisconsin, for the purpose stated below.

3. Total Rental under this agreement is $________ to cover the estimated cost of heat and utilities plus the standard Parks Security Deposit of $500.

4. The Little League Program shall use the Premises for the purpose of establishing and maintaining a recreational baseball program for the youth present in Door County and for no other purpose.

5. Hours of operation may not exceed posted park hours.

6. Minimal 21-year-old adult supervision required during all hours of operation.

7. Little League Sponsor is responsible to keep all areas clean.

8. Little League Sponsor is responsible for the cost of any accidental or intentional damage done to the facility resulting from their use.

9. Little League Sponsor is to immediately report any damage to the facility to the Door County Facilities & Parks Department and, if the damage appears to be intentional, to the Sturgeon Bay Police Department and fully cooperate with the same in any ensuing investigation.

10. Fire exits must be maintained accessible.

11. The County shall provide electric and toilet facilities, if such are available and operational, at the Park.

12. The Little League Sponsor has inspected (or will inspect prior to occupancy) the Premises, is familiar with the present condition of the Premises, and agrees to accept the Premises in that condition.

13. The Little League Sponsor shall observe and comply with all federal, state or local laws, ordinances, rules or regulation applicable to the Door County Park System which are now in effect or are hereafter promulgated.

14. In no event shall the County be deemed to have conveyed to the Little League Sponsor the right to the use of any property for any purpose other than identified in this Agreement.
15. The Little League Sponsor shall indemnify and hold harmless the County from and against any and all loss, damage, claim, liability or expense by reason of any damage or injury to property or person which may arise out of, result from, or be in any manner connected with Little League Baseball’s use of the Premises.

16. The Little League Baseball shall not at any time or in any manner represent that it is affiliated with the County.

17. During the full term of this Agreement the Little League Baseball Program shall, at its sole cost and expense, maintain comprehensive general liability insurance with coverage written on an “occurrence” basis with limits not less than $1,000,000.00 for any one occurrence. Said insurance shall cover all risks incident to any activity of the youth programs at the Premises. The insurance policy or policies shall name the County as an additional insured and must contain a clause prohibiting amendment or termination of said insurance except after five (5) days prior written notice to the County. The Little League Baseball Program may not exercise its privilege to use the premises until and unless the comprehensive general liability insurance is in full force and effect, and evidence thereof is provided to the county.

18. No modification, addition, deletion, revision, alteration or other change to this Agreement shall be effective unless and until such is reduced to writing.

19. This Agreement constitutes the entire agreement between the parties.

February 25, 2020

To: Adjacent landowners of Jonathan & Carol Wall, 12765 Door Bluff Rd, Ellison Bay, WI, 018-04-3533281482.

Ref: Petition for Grant of Variance

This letter comes to you as notice that Jonathan & Carol Wall have applied to the Door County Planning Department for a variance Section 3.05(4) of the Door County Comprehensive Zoning Ordinance which requires buildings to be setback at least 30 feet from the edge of a described private road easement. The petitioners propose to construct a two story detached up to the edge of a described private road easement (0 foot setback).

The Town Plan Commission will discuss and act on this application at a meeting to be held Wednesday, March 11, 2020 beginning at 7:00 PM at the Liberty Grove Town Hall at 11161 Old Stage Road. The Plan Commission will hear comments on this application and make a recommendation to the Town Board. You or your representative may attend this meeting on March 11th and comment on this zoning matter.

If you cannot attend the meeting, you may send comments to the Town at the address below, or fax them to the Town fax number of 920-854-7366. Another option would be the Town’s email address of tlibertygrove@gmail.com. Written/email comments will be received up until 4:00 PM on the day of the Plan Commission meeting. Documents relating to this project are available for inspection at the Liberty Grove Town Hall on Old Stage Road and the Door County Government Center at 421 Nebraska St. in Sturgeon Bay.

Sincerely,

Anastasia Bell

Open House Meeting to Review Draft Door County Parks and Open Space Plan 2020-2025

Sturgeon Bay, WI, March 5, 2020 – An open house meeting will be held as described below for anyone interested in reviewing and commenting upon the draft Door County Parks and Open Space Plan 2020-2025. The Plan can be found on the Land Use Services Department Website at http://map.co.door.wi.us/planning/ or viewed at the Land Use Services Department during regular business hours (8:00 a.m. - 4:30 p.m., Monday - Friday).

Open House Meeting Details:
Tuesday, March 31, 2020
4:00 p.m. – 7:00 p.m.
Door County Government Center
Peninsula Room (Room C121, first floor)
421 Nebraska St., Sturgeon Bay

During the open house, the same 15-minute presentation will be given at approximately 4:00 p.m., 5:00 p.m., and at 6:00 p.m. The presentation will provide a description of the planning process and plan, and then attendees will have an opportunity to review the plan and displays, and to provide input or comments.

Comments regarding the plan may also be submitted through April 2nd, 2020 to rkerwin@co.door.wi.us.

Please contact the Land Use Services Department at (920) 746-2323 with any questions.

-END
Facility Use Agreement

The American National Red Cross ("Red Cross"), a non-profit corporation chartered by the United States Congress, provides services to individuals, families and communities when disasters strike. The disaster relief activities of the Red Cross are made possible by the American public who support the Red Cross with generous donations. The Red Cross's disaster services are also supported by facility owners who permit the Red Cross to use their buildings as shelters and other service delivery sites for disaster victims. This agreement is between the Red Cross and a facility owner ("Owner") so the Red Cross can use the facility to provide services during a disaster. This agreement only applies when Red Cross requests use of the facility and is managing the activity at the facility.

Parties and Facility

DCS JT DMWT Facility Use Agreement V.2.0 2017.06.29
Facility Use Agreement

Terms and Conditions

1. **Use of Facility:** Upon request and if feasible, Owner will permit the Red Cross to use and occupy the Facility on a temporary basis to conduct emergency, disaster-related activities. The Facility may be used for the following purposes (both parties must initial all that apply):

<table>
<thead>
<tr>
<th>Facility Purpose</th>
<th>Owner Initials</th>
<th>Red Cross Initials</th>
</tr>
</thead>
<tbody>
<tr>
<td>Service Center (Operations, Client Services, or Volunteer Intake)</td>
<td></td>

</tr>
<tr>
<td>Storage of supplies</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Parking of vehicles</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Disaster Shelter</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

2. **Facility Management:** The Red Cross will designate a Red Cross official to manage the activities at the Facility ("Red Cross Manager"). The Owner will designate a Facility Coordinator to coordinate with the Red Cross Manager regarding the use of the Facility by the Red Cross.

3. **Condition of Facility:** The Facility Coordinator and Red Cross Manager (or designee) will jointly conduct a survey of the Facility before it is turned over to the Red Cross. They will use the first page of the Red Cross’s **Facility/Shelter Opening/Closing Form** to record any existing damage or conditions. The Facility Coordinator will identify and secure all equipment in the Facility that the Red Cross should not use. The Red Cross will exercise reasonable care while using the Facility and will not modify the Facility without the Owner’s express written approval.

4. **Food Services** (This paragraph applies only when the Facility is used as a shelter or service center.): Upon request by the Red Cross, and if such resources are available, the Owner will make the food service resources of the Facility, including food, supplies, equipment and food service workers, available to feed the shelter occupants. The Facility Coordinator will designate a Food Service Manager to coordinate meals at the direction of and in cooperation with the Red Cross Manager. The Food Service Manager will establish a feeding schedule and supervise meal planning and preparation. The Food Service Manager and Red Cross Manager will jointly conduct a pre-occupancy inventory of the food and food service supplies before the Facility is turned over to the Red Cross. When the Red Cross vacates the Facility, the Red Cross Manager and Facility Coordinator or Food Service Manager will conduct a post-occupancy inventory of the food and supplies used during the Red Cross’s activities at the Facility.

5. **Custodial Services** (This paragraph applies only when the Facility is used as a shelter or service center.): Upon request of the Red Cross and if such resources are available, the Owner will make its custodial resources, including supplies and workers, available to provide cleaning and sanitation services at the Facility. The Facility Coordinator will designate a Facility Custodian to coordinate the these services at the direction of and in cooperation with the Red Cross Manager.

6. **Security/Safety:** In coordination with the Facility Coordinator, the Red Cross Manager, as he or she deems necessary and appropriate, will coordinate with law enforcement regarding any security and safety issues at the Facility.

7. **Signage and Publicity:** The Red Cross may post signs identifying the Facility as a site of Red Cross operations in locations approved by the Facility Coordinator. The Red Cross will remove such signs when the Red Cross concludes its activities at the Facility. The Owner will not issue press releases or other publicity concerning the Red Cross’s activities at the Facility without the written consent of the
Facility Use Agreement

8. **Closing the Facility:** The Red Cross will notify the Owner or Facility Coordinator of the date when the Red Cross will vacate the Facility. Before the Red Cross vacates the Facility, the Red Cross Manager and Facility Coordinator will jointly conduct a post-occupancy inspection, using the second page of the Shelter/Facility Opening/Closing Form, to record any damage or conditions.

9. **Fee** *(This paragraph does not apply when the Facility is used as a shelter. The Red Cross does not pay fees to use facilities as shelters.)*: Both parties must initial one of the two statements below:

   a. Owner will not charge a fee for the use of the Facility.
      Owner initials: _____ Red Cross initials: _____

   b. The Red Cross will pay $_____ per day/week/month (circle one) for the right to use and occupy the Facility. Owner initials: _____ Red Cross initials: _____

10. **Reimbursement:** Subject to the conditions in paragraph 10(e) below, the Red Cross will reimburse the Owner for the following:

   a. *Damage to the Facility or other property of Owner,* reasonable wear and tear excepted, resulting from the operations of the Red Cross. Reimbursement for facility damage will be based on replacement at actual cash value. The Red Cross, in consultation with the Owner, will select from bids from at least three reputable contractors. The Red Cross is not responsible for storm damage or other damage caused by the disaster.

   b. *Reasonable costs associated with custodial and food service personnel and supplies* which would not have been incurred but for the Red Cross’s use of the Facility. The Red Cross will reimburse at per-hour, straight-time rate for wages actually incurred but will not reimburse for (i) overtime or (ii) costs of salaried staff.

   c. *Reasonable, actual, out-of-pocket costs for the utilities indicated below,* to the extent that such costs would not have been incurred but for the Red Cross’s use of the Facility. (Both parties must initial all utilities that may be reimbursed by the Red Cross):

<table>
<thead>
<tr>
<th>Utility</th>
<th>Owner Initials</th>
<th>Red Cross Initials</th>
</tr>
</thead>
<tbody>
<tr>
<td>Water</td>
<td></td>

<tr>
<td>Gas</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Electricity</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Waste Disposal</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

d. The Owner will submit any request for reimbursement to the Red Cross within 60 days after the occupancy of the Red Cross ends. Any request for reimbursement must be accompanied by supporting invoices. Any request for reimbursement for personnel costs must be accompanied by a list of the personnel with the dates and hours worked.

e. If the disaster is a Federally-declared disaster and Owner is a municipal or state government entity, then the Owner will work with appropriate emergency management agencies to seek cost reimbursement through the Federal Emergency Management Agency’s program for administering Public Assistance Category B under the Robert T. Stafford Act. The Red Cross is not obligated to reimburse the Owner for costs covered by Public Assistance Category B.
Facility Use Agreement

11. **Insurance:** The Red Cross shall carry insurance coverage in the amounts of at least $1,000,000 per occurrence for Commercial General Liability and Automobile Liability. The Red Cross shall also carry Workers' Compensation coverage with statutory limits for the jurisdiction within which the facility is located and $1,000,000 in Employers’ Liability.

12. **Indemnification:** The Red Cross shall defend, hold harmless, and indemnify Owner against any legal liability, including reasonable attorney fees, in respect to claims for bodily injury, death, and property damage arising from the negligence of the Red Cross during the use of the Facility.

13. **Term:** The term of this agreement begins on the date of the last signature below and ends 30 days after written notice by either party.

Se the to select hurricane evacuation shelters. In this document, you will find a planning process that involves many factors (e.g., technical information for storm surge and flood mapping). This process requires close coordination with local officials for technical information to make decisions about hurricane shelter suitability. Use the Facility Construction section to assist with determining whether this can be a hurricane evacuation shelter.

Helter can be a hurricane evacuation shelter  □ Yes  □ No  Notes:

Shower Facility Survey

Showers available. ☐ Yes ☐ No

Answer below if showers are available

At least one accessible shower stall with appropriate grab bars. ☐ Yes ☐ No

Stall type ☐ Transfer stall ☐ Roll-in shower ☐ Not provided

Shower seat 17"-19" high. If in transfer stall, seat is on the wall opposite the shower controls. If in roll-in shower, seat is on wall adjacent to the shower controls. ☐ Yes ☐ No

Hand-held shower spray with ability to mount at 48" (typically via a mount that can be adjusted along a fixed vertical bar), or alternatively a fixed shower head at 48". ☐ Yes ☐ No

Controls do not require tight grasping, pinching or twisting and are mounted 38"-48" high and no more than 18" from the front of the shower. ☐ Yes ☐ No

At least some tables have tops 28"-34" high and space underneath at least 27" high, 30" wide and 18" deep. ☐ Yes ☐ No

Serving line or counter no higher than 34". ☐ Yes ☐ No

Relevant areas of the facility are accessible to people with disabilities without adjustments. ☐ Yes ☐ No

Facility has at least one accessible entrance and one accessible restroom, and otherwise is capable of being made accessible during a disaster with minor adjustments. ☐ Yes ☐ No

Facility would require extensive adjustments to be accessible during a disaster. ☐ Yes ☐ No

Adjustments for Accessibility (identify any adjustments or enhancements that would be made to make the relevant areas of the facility accessible during a disaster)

Additional Facilities & Space

Hospital areas ☐ Yes ☐ No

Type of area ☐ Rooms ☐ Shelter area ☐ Separate facility/area

Shelter registration area ☐ Yes ☐ No

Laundry facilities ☐ Yes ☐ No

# of washers ☐ No Location ☐ of dryers

Special conditions or restrictions for laundry

Available Materials

A cot and two blankets per shelter resident is recommended. Note all available materials for shelter use in the notes section.

Cots available ☐ Yes ☐ No

# of cots Cox No Location

Blankets available ☐ Yes ☐ No

# of blankets ☐ No Location

Children’s supplies (e.g., infant changing table) ☐ Yes ☐ No

Chairs & tables available ☐ Yes # of chairs 300 # of tables 65 ☐ No

Notes 1-Changing Table only available. Table and chair numbers are approximate.
Shelter Facility Survey

Acility Ownership & Proximity Considerations

Does the entity that plans to manage the shelter own the building? [X] Yes ☐ No

If no, is there a current written plan? ☐ Yes ☐ No

Does this facility within five miles of an evacuation route? [X] Yes ☐ No

Does this facility within ten miles of a nuclear power plant? [X] Yes ☐ No

Groups Associated with the Facility & Training

Acility staff required when using facility? [X] Yes ☐ No

Ail feeding staff required when using facility? [X] Yes ☐ No

Hurch auxiliary required when using facility? ☐ Yes [X] No

Ire auxiliary required when using facility? ☐ Yes [X] No

Other required? ☐ Yes ☐ No [X] Other

Will any of the above groups be trained or experienced in Red Cross shelter operations or support? ☐ Yes [X] No

Yes, describe abilities

As the facility been trained in Red Cross sheltering (if not Red Cross managed)? ☐ Yes [X] No

Yes, describe abilities

Training requested by facility or group [X] Yes # of staff to be trained 10 ☐ No
Shelter Category / Priority of Use: Designated by chapter leadership after the survey is completed.

- This is a primary shelter for:
  - General population
  - Evacuation Center

- Shelter cannot be used for:
  - General population
  - Evacuation Center

- This is a priority shelter for the following events:
  - Hurricane
  - Earthquake
  - Large Scale Fire / Flood
**BID OPENING**

For: **DOOR COUNTY LIBRARY BOILER REPLACEMENT**

RE: Transitional Housing Option at 442 Michigan Street Update

Over the past several months the Health and Human Services Management Team has examined our needs for residential care. Based on recent trends and expenses we have identified needs in these areas:

1. Long Term placements for those with severe and persistent mental illness. We currently have nine (9) individual in placement out of the county. The cost for those placements in 2019 was $870,510.00.

2. Individuals with either mental health or alcohol and drug problems who have unstable housing. We paid for some temporary housing for 105 days for various individuals. The total cost was $3100.00

3. A sober living facility for individuals in AODA treatment. In 2019 we had 14 individuals in residential programs for a total of 618 days and $73,868.00. We also had 182 individuals attend outpatient treatment through our department. We estimate that five (5) of the individuals in residential and 24 in outpatient could have been served in a local facility.

Part of the analysis also included an evaluation of resources we have available to address these needs. On the staffing side, we have pressure in all divisions with increased referrals and caseloads. On the fiscal side, there are no additional funds. Decreasing costs in these three (3) areas would be the only way of allocating funding for alternative programming. We do not believe we could save enough money to staff our own facility at this time.

For the first identified area of need, the individuals with severe mental illness need 24/7 care. We are working with a local vendor in hopes we can create a less expensive alternative that would allow us to move some of these individuals back to the county.

For the second and third areas of need identified, we believe a local, unstaffed facility could be of benefit to our consumers and our expense line. For those needing short term housing (3-30 days), a local house could be used. For those needing AODA services, the opportunity to provide this to individuals in their home community, when possible, is always more effective for their success. They develop support systems and practice skills where they intend to live. Although we could not staff the house, our current case managers from various divisions could provide daily checks on residents.

Our conclusion is that a local, county-owned home could save us placement costs and help us provide better outcomes. We would see the house as a rental space rather than a treatment program. We have a written policy that includes admission criteria, house rules, etc. We would like to continue to explore this option at the 442 Michigan Street address.
Next steps include:

- Review of policy by Corporation Counsel
- Review of building needs and costs with Facilities and Parks Director
- Address zoning issues with city
- Assure proper insurance coverage and cost with Finance Director
- Review cost estimates and determine funding with Facility and Parks Committee and Finance Committee.
Timeline of Construction and Municipal Use of 442 Michigan Avenue ("Old City Lock-Up"), 1893 – 1907.

Prepared by Steven Rice, Door County Library. Original research conducted by Nancy Emery, Sally Treichel and Steven Rice.

Prior to 1892 – Lots 25, 26 and 27 of Block 26 owned by the family of Charles I. Martin. See page 5.

September 1893 – Proposal to purchase three vacant lots from Charles I. Martin for new city buildings, including lockup, put forward at Sturgeon Bay City Council meeting.¹

October 1893 – Notice received that existing city jail (ca. 1881) to be condemned by State of Wisconsin. City is given one year to construct a new lockup.²

July 1894 – Resolution to appropriate $1060 for purchase of Lots 25, 26 and 27 of Block 26 passes City Council.³

September 1894 – City Council considers plans presented by finance committee for new lock-up. Plans prepared by A. Hamacek for new city lock-up. Finance committee instructed to advertise for sealed bids for the project.⁴

October 1894 – Building contract for new lock-up awarded to Cosme & Propsom. Work on building begins. Cost estimated at $876.⁵

November 1894 – Various protests and editorial comments regarding location of lock-up are present in newspapers throughout November. Opponents question siting of the building so close to the street and the High School.

December 1894 – City lock-up accepted by city council. Payment of $876.30 authorized.⁶

1894 → 1906 --- City lock-up in use. See pages 6-7.

September 1906 – Three lots and jail building sold to Mike Dohearty for $1,000. Jail to be used by city until new city hall is constructed.7

June 1907 – City Council orders board of public works to move jail cells from old jail building to new city hall (Cedar St/3rd Ave).8

June 1907 – Jail officially transferred to new city hall.9

Notes and Comments

When referring to the structure at 442 Michigan Street (hereafter 442 Michigan Street), both “jail” and “lock-up” are appropriate terms. They are used interchangeably in the historical record.

The 442 Michigan Street structure was almost certainly intended as a temporary stopgap measure to an ongoing city problem of insufficient municipal space. The project was controversial in its time, and the building was replaced by a more modern municipal building on 3rd Avenue/Cedar Street within 12 years.

The city jail which occupied 442 Michigan Street is frequently confused with the two county jail structures which were built and remodeled in the same period. These structures were located, respectively, on the corner of modern 5th Avenue and Oregon Street, and the corner of 5th Avenue and Nebraska Street. The older county jail on Oregon Street was built in 1882 and demolished in 1919. The new structure on Nebraska street (the “Greystone Hotel”) was built in 1909 and demolished in 1965. Any law enforcement activity involving the Sheriff’s Department took place in these two structures, not 442 Michigan Street.

All jail materials, including cells, were removed from 442 Michigan Street in 1907 and transferred to the new jail facility on Cedar Street/3rd Avenue. No direct physical evidence of the jail facility remains inside the building.

442 Michigan Street was assessed for historic preservation purposes during the Wisconsin Historical Society’s Wisconsin Architecture and History Inventory in 2000. See attached assessment.

For a summary of the property’s post-municipal ownership history until 1950, see attached timeline.

7 City property is sold cheap: Mike Dohearty gets three lots and the jail for $1000. (1906, September 29). Door County Democrat. Retrieved from Door County Library Newspaper Archive: https://tinyurl.com/uc2eegm

Timeline for Property at 442 Michigan St – City “Lock-Up”

1892 and before – owned by Martin family – valued at $450 total; parcel includes all of Lots 25, 26, & 27 of Block 26 of the Assessor’s Plat.

1893 to 1894 – owned by A.W. Lawrence – valued at $700 total – same description.

1894 – Acquired by the City – same description.
        City owns from 1894 to 1906,

1906 – Acquired by Mike Doherty.

1907 – Mike Doherty – improvements valued at $300 – same description.

1920 – Still owned by M. Doherty Estate – improvements valued at $300.

1924 – M. Doherty Estate – improvements increase to $345.

1926 – M. Doherty Estate – improvements drop to $50.

1929 – Owned by Marie Devine – improvements still valued at $50 – same legal description (note: Marie Devine also owns house at 434 Michigan at this time.)

1930 – Devine – improvements value jumps to $1000.

1931 – Property split – lot next door to east is created (450 Michigan).

1932 – Property split – lot at 456 Michigan is created.

1935 – Devine – improvement value drops to $950.

By 1942 – Property split – lot at 15 N 5th is created – “lock-up” parcel has improvements valued at $1000. It is still owned by Marie Devine.

1946 – Property split – lot at corner of 5th/Michigan created – “lock-up” parcel is now in its current configuration except for subsequent alley vacation – still owned by Devine – improvements valued at $1000.

1947 – Parcel is owned by Edwin Allie – improvement value jumps to $2650 (appears to be a revaluation year).

Description and Statement of Significance

This two-story, cube vernacular brick house, constructed in c. 1920, exhibits the influence of the Craftsman style. Resting on a concrete block foundation with a hipped roof, the house is distinguished by its decorative brick work. The front facade features an enclosed front porch with a series of three-over-one, double-hung sash windows and a single glass door. The porch has a flat roof. The second-story front facade features the same windows set as a pair. At the second story, a beltcourse of corbeled brick is laid near the bottom half of the windows. This band is topped by brick panels. This decorative treatment is carried through to the other facades of the house. The house displays ornate brick corner pilasters with banding and panels. Except for the front facade, pilasters are also featured on the walls of the house.

This building was evaluated for the NRHP under Criterion C: Architecture as an example of an early twentieth century residential vernacular building. Although the house displays interesting decorative treatment, the structure is too common a form to be considered eligible for the NRHP under architecture. Further, no historical significance was discovered that would make this property eligible under either Criteria A or B. A DOE is not recommended.

360 Nebraska Street | 20/2 | Not Eligible

Description and Statement of Significance

This one-story, ashlar-stone, recreational vernacular building was constructed in 1941. The building displays a concrete foundation and a wide hipped roof. The roof is crowned by a cupola vent. The Colonial Revival style influence is seen in the structure's cupola, scalloped cornice, and fixed, multi-paned, cottage windows on the main facade. These windows are symmetrically placed and feature 28 lights each. The building is accessed by a multi-paned glass and wooden door surrounded by diagonally-cut wood board siding. Metal awnings are located over the windows on the main facade.

This building was constructed as the warming house for the city skating rink once located to the rear of the building. This space is now a parking lot. The structure, retaining good integrity, was evaluated for the NRHP under Criterion C: Architecture; however, because the structure's context has been lost, it is not considered eligible under architecture. Further, no historical significance was discovered that would make this property eligible under either Criteria A or B. A DOE is not recommended.
