         b. The period of the emergency shall be limited by the ordinance or resolution to the time during which the emergency conditions exist or are likely to exist.
      2. If, because of the emergency conditions, the County Board is unable to meet promptly, the County Administrator or the County Board Chairperson will exercise by proclamation all of the powers conferred upon the County Board under § I.A. 1. above that appear necessary and expedient.
         a. The proclamation shall be subject to ratification, alteration, modification, or repeal by the County Board as soon as that body can meet.

DHS 145.06, Wis. Adm. Code - General statement of powers for control of communicable disease.

(1) **APPLICABILITY.** The general powers under this section apply to all communicable diseases listed in Appendix A of this chapter and any other infectious disease which the chief medical officer deems poses a threat to the citizens of the state.

(2) **PERSONS WHOSE SUBSTANTIATED CONDITION POSES A THREAT TO OTHERS.** A person may be considered to have a contagious medical condition which poses a threat to others if that person has been medically diagnosed as having any communicable disease and exhibits any of the following:

   (a) A behavior which has been demonstrated epidemiologically to transmit the disease to others or which evidences a careless disregard for the transmission of the disease to others.

   (b) Past behavior that evidences a substantial likelihood that the person will transmit the disease to others or statements of the person that are credible indicators of the person's intent to transmit the disease to others.

   (c) Refusal to complete a medically directed regimen of examination and treatment necessary to render the disease noncontagious.

   (d) A demonstrated inability to complete a medically directed regimen of examination and treatment necessary to render the disease noncontagious, as evidenced by any of the following:

      1. A diminished capacity by reason of use of mood-altering chemicals, including alcohol.

      2. A diagnosis as having significantly below average intellectual functioning.

      3. An organic disorder of the brain or a psychiatric disorder of thought, mood, perception, orientation or memory.

      4. Being a minor, or having a guardian appointed under ch. 54, Stats., following documentation by a court that the person is incompetent.

   (e) Misrepresentation by the person of substantial facts regarding the person's medical history or behavior, which can be demonstrated epidemiologically to increase the threat of transmission of disease.

   (f) Any other willful act or pattern of acts or omission or course of conduct by the person which can be demonstrated epidemiologically to increase the threat of transmission of disease to others.

(3) **PERSONS WHOSE SUSPECTED CONDITION POSES A THREAT TO OTHERS.** A person may be suspected of harboring a contagious medical condition which poses a threat to others if that person exhibits any of the factors noted in sub. (2) and, in addition, demonstrates any of the following without medical evidence which refutes it:

   (a) Has been linked epidemiologically to exposure to a known case of communicable disease.

   (b) Has clinical laboratory findings indicative of a communicable disease.

   (c) Exhibits symptoms that are medically consistent with the presence of a communicable disease.

(4) **AUTHORITY TO CONTROL COMMUNICABLE DISEASES.** When it comes to the attention of an official empowered under s. 250.02 (1), 250.04 (1) or 252.02 (4) and (6), Stats., or under s. 252.03 (1) and (2), Stats., that a person is known to have or is suspected of having a contagious medical condition which poses a threat to others, the official may direct that person to comply with any of the following, singly or in combination, as appropriate:

   (a) Participate in a designated program of education or counseling.
(b) Participate in a defined program of treatment for the known or suspected condition.

(c) Undergo examination and tests necessary to identify a disease, monitor its status or evaluate the effects of treatment on it.

(d) Notify or appear before designated health officials for verification of status, testing or direct observation of treatment.

(e) Cease and desist in conduct or employment which constitutes a threat to others.

(f) Reside part-time or full-time in an isolated or segregated setting which decreases the danger of transmission of the communicable disease.

(g) Be placed in an appropriate institutional treatment facility until the person has become noninfectious.

(5) **FAILURE TO COMPLY WITH DIRECTIVE.** When a person fails to comply with a directive under sub. (4), the official who issued the directive may petition a court of record to order the person to comply. In petitioning a court under this subsection, the petitioner shall ensure all of the following:

(a) That the petition is supported by clear and convincing evidence of the allegation.

(b) That the respondent has been given the directive in writing, including the evidence that supports the allegation, and has been afforded the opportunity to seek counsel.

(c) That the remedy proposed is the least restrictive on the respondent which would serve to correct the situation and to protect the public's health.

(6) **HAZARDS TO HEALTH.** Officials empowered under ss. 250.02 (1), 250.04 (1) and 252.02 (4) and (6), Stats., or under s. 252.03 (1) and (2), Stats., may direct persons who own or supervise real or physical property or animals and their environs, which present a threat of transmission of any communicable disease under sub. (1), to do what is reasonable and necessary to abate the threat of transmission. Persons failing or refusing to comply with a directive shall come under the provisions of sub. (5) and this subsection.

**History:** Cr. Register, March, 2000, No. 531, eff. 4-1-00; correction in (2) (d) 4. made under s. 13.92 (4) (b) 7., Stats., Register February 2008 No. 626.

Mr. Thomas Nelson
Outagamie County Executive
410 South Walnut Street
Appleton, Wisconsin  54911

Dear County Executive Nelson:

¶ 1. You have asked for an emergency Attorney General opinion to address the immediate need for clarity about the effect of the Wisconsin Supreme Court’s decision in Wisconsin Legislature v. Palm, 2020 WI 42, on local powers to combat COVID-19. The May 12 supreme court decision struck down, in most respects, the Wisconsin Department of Health Services’ (DHS) statewide Safer-at-Home order issued to combat COVID-19.

¶ 2. The Wisconsin Legislature’s lawsuit that led to the invalidation earlier this week of most of the Safer-at-Home order has resulted in substantial uncertainty as counties and municipalities rapidly adopt measures to fight a virus that does not respect national borders, much less municipal or county lines. In an update posted Wednesday, for instance, the Wisconsin Counties Association wrote that “it is unclear whether a local health order would, in the Court’s view, suffer from the same deficiencies that caused the Court to invalidate the Safer at Home Order.” Wis. Ctys. Ass’n, COVID-19 Updates for County Officials (May 13, 2020), https://covid19.wicounties.org/covid-19-daily-update-5-13-2020/. Kenosha and Brown Counties, two of the state’s counties that have been most impacted by the coronavirus outbreak, withdrew their public health orders in light of confusion regarding their authority in the wake of the supreme court’s decision.

¶ 3. This Attorney General opinion addresses the following questions: whether the Wisconsin Supreme Court’s decision in Wisconsin Legislature v. Palm controls local powers; whether that decision’s discussion of criminal penalties should be considered by local authorities; whether that decision’s specific focus on certain DHS powers related to staying at home, travel, and closing businesses should be
considered by local authorities; and whether there are any other substantive limits on local powers implied by the *Palm* decision.

¶ 4. *First*, the supreme court’s decision addressed only DHS’s authority found in Wis. Stat. § 252.02. That statute does not govern the authority of local health officers, which is separately set out in Wis. Stat. § 252.03. That separate grant of local authority provides, among other things, powers to “prevent, suppress and control communicable diseases” and “forbid public gatherings when deemed necessary to control outbreaks or epidemics.” Wis. Stat. § 252.03(1)–(2). Because the court decision addressed a different statute applicable to a state agency, and not the statute applicable to local authorities, the *Palm* decision is not directly controlling on powers under the latter statute.

¶ 5. *Second*, although the court did not directly address Wis. Stat. § 252.03, there are statements about criminal sanctions in the *Palm* decision that local authorities should consider. The court concluded that Safer at Home “does not rely on a statute within ch. 252 defining the elements of the crime” and that “in order to constitute criminal conduct proscribed by statute, the conduct must be set out with specificity in the statute to give fair notice.” *Palm*, 2020 WI 42, ¶¶ 37, 40. It is advisable to limit enforcement under Wis. Stat. § 252.03 to ordinances or administrative enforcement.

¶ 6. *Third*, the *Palm* decision highlighted three particular exercises of DHS’s powers as outside the scope of its statutory authority under Wis. Stat. § 252.02: directing people to stay at home, forbidding certain travel, and closing certain businesses. Even as to those three measures, the analysis may not apply to local powers under Wis. Stat. § 252.03. The court’s reasoning emphasized the availability of criminal sanctions for violations, and applied an interpretative analysis using provisions of 2011 Wis. Act 21 and Wis. Stat. ch. 227 that apply only to state agencies. *Palm*, 2020 WI 42, ¶¶ 45–47, 51, 52. A local order issued under Wis. Stat. § 252.03 that does not threaten criminal penalties, as recommended above, cannot run afoul of the court’s first concern, and 2011 Wis. Act 21 and chapter 227 would not apply to a local authority. Nevertheless, the local authority should ensure that any measures that direct people to stay at home, forbid certain travel, or close certain businesses speak specifically to the local authority’s statutory power to “prevent, suppress and

---

1 Local authorities also have emergency powers under Wis. Stat. §§ 323.11 and 323.14. This opinion does not address measures taken pursuant to those powers.

2 This reasoning may not extend to subsections like Wis. Stat. § 252.02(3). For example, the *Palm* decision does not apply to Section 4.a. of Safer at Home, which closes schools pursuant to Wis. Stat. § 252.02(3). *Wis. Legislature v. Palm*, 2020 WI 42, ¶ 58 n.21.
control communicable diseases” and “forbid public gatherings when deemed necessary to control outbreaks or epidemics.” Wis. Stat. § 252.03(1)–(2).

¶ 7. Fourth, nothing in the supreme court’s decision even arguably limits other measures directed by a local authority under Wis. Stat. § 252.03. The court rested its rejection of Safer at Home’s provisions other than staying at home, travel, and business closure solely on its conclusion that DHS had to engage in emergency rulemaking under Wis. Stat. § 227.24. Palm, 2020 WI 42, ¶¶ 2–4, 58–59. Local authorities are not subject to chapter 227, and so that reasoning has no application to an order issued by a local authority.

¶ 8. The foregoing observations provide immediate guidance in light of the pandemic. Because of the emergency circumstances, this opinion is not being released according to this office’s ordinary process, in which we have voluntarily instituted an opportunity for public comment. However, this opinion will be posted on the AG Opinion Requests page of the Department of Justice’s website, where the public may comment on it. In turn, this opinion may be supplemented at a later date.

Sincerely,

Joshua L. Kaul
Attorney General

A copy of each agreement shall be filed with the adjutant general within 10 days after execution of that agreement.

(3) DUTIES DURING AN EMERGENCY.

(a) If the governing body of a local unit of government declares an emergency under s. 323.11 and intends to make use of volunteer health care practitioners, as specified in s. 257.03, the governing body or its agent shall, as soon as possible, notify the department of health services of this intent.
