New Business

Meeting with State Legislator(s) – Representative Kitchens/Senator Jacque

Senator Jacque updated the Committee on a number of bills he is involved with. The Senate plans to be in session until at least March.

Representative Kitchens updated the Committee on a number of issues relative to Door County including affordable housing, Airbnb draft legislation, clean water bill, and other legislation he is involved in.

Senator Jacque noted he is in support of addressing redistricting issues and concerns to improve the redistricting process. A constitutional amendment would need to pass before any changes to the redistricting process could take place. Representative Kitchens noted he supports redistricting reforms. Assembly version LRB 3797 and Senate version LRB 5162 legislation have been introduced and address redistricting reforms.

Redistricting

Sawyer County, Outagamie County – Redistricting

Trempealeau County, St. Croix County – Advisory Referendum on Creation of Nonpartisan Procedure for the Preparation of Legislative and Congressional Redistricting Plans and Maps

Administrator Pabich explained the redistricting agenda item is before the Committee because of requests from the public to move forward on a county-wide referendum. A referendum would be an advisory referendum. The Committee needs to determine what the best route is to pursue the issue. What is more powerful and what sends a stronger message; what is most effective way to get the message to our Legislators. Historically, the philosophy has been not to hold an advisory referendum. The Committee can act and make a recommendation to the County Board to hold or not hold a referendum or the Committee can defer the matter to County Board. Representative Kitchens and Senator Jacque presented their opinions on what is more important, or sends a stronger message – referendums or resolutions. Both noted that generally neither referendum results or resolutions make it directly to the Legislator themselves. The best and more powerful way to lobby is by direct contact with our State Legislators. The question of what the public's option is for petitioning for a referendum and what the costs related to holding a referendum would be was reviewed. Further review and answers at the next scheduled committee meeting tentatively scheduled for March.

Door County Transportation Program

Transportation Director Pam Busch updated the Committee on the annual statistics for transportation.

AB 544 – Workforce Housing Tax Credits

Administrator Pabich reviewed the bill noting WHEDA is hoping to use some of their existing funds, \$10M, to set up a pilot program to be used for rural workforce housing projects. DCEDC has been active in promoting Door County's workforce housing issues. A resolution from the County would be helpful.

Motion by Enigl, seconded by Wait to support the draft resolution as presented and pass on to County Board. Motion carried by unanimous voice vote.

AB 457 – Various Changes to Statutes Related to Obtaining a Marriage License

County Clerk Lau explained a portion of the bill allows couples to apply for a marriage license in any County. Current law requires Wisconsin residents to apply in the County in which they one or both reside or for out of state residents to apply in the Wisconsin county they are getting married in. Lau expressed concerns related to loss of revenue as out of state residents may be more likely to apply in a bordering county to their home state than travel to Door County where they are getting married. Lau also expressed concerns related to loss of revenue for county residents who may work out of the county so applying in the work county may be more convenient. Lau has sent opposition letters to both of our county's legislators. The bill is expected to be on the floor of the Assembly tomorrow and asked that the committee support her in opposing it. The Committee took no action.

Review Resolutions from Other Counties and Refer to Appropriate Committees for Recommendation as to Action of the County Board

Outagamie County – Submit a Waiver Application from Centers for Medicare and Medicaid Services of the Medicaid Institute for Mental Disease Exclusion to Allow Federal Reimbursement of Short Term Acute Care and Transition Planning for Persons with Serious and Persistent Mental Illness

Door County has addressed. Referred to Human Services Board.

Outagamie County, Eau Claire County, Washburn County, Wood County - Urge the Legislature to revise state statutes for consistency by requiring fees and costs charged by the Register in Probate office and Clerk of Circuit Court office be identical for same item or service as detailed in the attached Fee Structure for Court Fees and Costs in Probate and Juvenile Cases

Door County has addressed.

SENATE BILL 427

- 1 exploitation of an elder person; sexual assault of an elder person; physical
2 abuse of an elder person; and providing a penalty.

Analysis by the Legislative Reference Bureau**SEXUAL ASSAULT OF AN ELDER PERSON**

Under this bill, any act of sexual misconduct that is currently a second degree sexual assault is a first degree sexual assault if the victim is 60 years of age or older. Under current law, if a person engages in any of the specified acts of sexual misconduct, he or she is guilty of a Class C felony. Under the bill, he or she is guilty of a Class B felony if the victim is 60 years of age or older, whether or not he or she knew the victim's age.

PHYSICAL ABUSE OF AN ELDER PERSON

This bill creates the crime of physical abuse of an elder person that is modeled after the current law prohibition of physical abuse of a child. Under the bill, an elder person is anyone who is 60 years of age or older, and a person may be prosecuted irrespective of whether he or she knew the age of the crime victim. Under the bill, the penalties range from a Class C felony for intentionally causing great bodily harm to a Class I felony for recklessly causing bodily harm.

FREEZING OF ASSETS

This bill creates a procedure for a court to freeze or seize assets from a defendant who has been charged with a financial exploitation crime when the victim is an elder person.

Under the bill, if a person is charged with a financial exploitation crime, the crime involves property valued at more than \$2,500, and the crime victim is at least 60 years old, a prosecuting attorney may file a petition with the court to freeze the funds, assets, or property of the person in an amount up to 100 percent of the alleged value of property involved in the person's pending criminal proceeding for purposes of preserving the property for future payment of restitution to the crime victim.

INCREASED PENALTIES

This bill creates a scheme that allows a term of imprisonment that is imposed for a criminal conviction to be increased in length if the crime victim was an elder person. Under the bill, a maximum term of imprisonment of one year or less may be increased to not more than two years; a maximum term of imprisonment of more than one year but not more than ten years may be increased by not more than four years; and a maximum term of imprisonment of more than ten years may be increased by not more than six years. Under the bill, the term of imprisonment may be lengthened irrespective of whether the defendant knew the age of the crime victim.

RESTRAINING ORDERS FOR AN ELDER PERSON

This bill allows an elder person who is seeking a domestic violence, individual-at-risk, or harassment restraining order to appear in a court hearing by

RESOLUTION NO.: 79—2019-20

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN:

MAJORITY

1 There is pending legislation that will change any act of sexual misconduct that is currently
2 a second degree sexual assault to a first degree sexual assault if the victim is 60 years of
3 age or older regardless of whether or not the offender knew the victim's age.
4

5 The pending legislation would create the crime of physical abuse of a person that is 60
6 years of age or older that is modeled after the current law prohibition of physical abuse of
7 a child regardless of whether or not the offender knew the victim's age.
8

9 The pending legislation creates a procedure for a court to freeze or seize assets from a
10 defendant who has been charged with a financial exploitation crime when the victim is at
11 least 60 years old.
12

13 The pending legislation allows anyone who is 60 years or older who is seeking a domestic
14 violence, individual-at-risk, or harassment restraining order to appear in a court hearing by
15 telephone or live audiovisual means.
16

17 NOW THEREFORE, the undersigned members of the Health and Human Services Committee
18 and the Public Safety Committee recommend adoption of the following resolution.

19 BE IT RESOLVED, that the Outagamie County Board of Supervisors does support pending
20 legislation that would change any act of sexual misconduct that is currently a second degree sexual
21 assault to a first degree sexual assault if the victim is 60 years of age or older regardless of whether or
22 not the offender knew the victim's age, and

23 BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does support

RESOLUTION NO.: 130—2019-20

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN:

MAJORITY

1 For Children in Need of Protection (CHIPS) proceedings under State Statutes
2 Chapter 48, (the Children’s Code), when a child is taken into custody and not
3 immediately released to a parent, guardian, or legal custodian, the judge or circuit
4 court commissioner in the county where the child is being held must hold a
5 detention hearing within 48 hours of the time in which the decision to hold the
6 child was made (excluding Saturdays, Sundays, and legal holidays).

7
8 For juvenile justice proceedings under State Statutes Chapter 938, (the Juvenile
9 Justice Code), when a juvenile is taken into custody and held by a county, the
10 circuit court must hold a detention hearing within 24 hours after the end of the
11 day on which the decision to hold the juvenile was made (excluding Saturdays,
12 Sundays, and legal holidays).

13
14 As a result of the hours discrepancy between these two statutory provisions,
15 county circuit court judges, commissioners, juvenile intake workers, and other
16 courthouse staff have raised concerns about county employees needing to be
17 prepared to hold a detention hearing under circumstances where the courthouse
18 would otherwise be closed. For example, counties throughout the state need to be
19 prepared to conduct Chapter 938 detention hearings on certain non-legal holidays
20 (e.g., the Friday after Thanksgiving) and extreme weather days. If a detention
21 hearing is not held prior to the statutory deadline, the county risks losing
22 jurisdiction over the pending matter. Additionally, there are concerns regarding
23 transportation of juveniles and children on non-work days in order to
24 accommodate hearings.

25
26 There is pending legislation that specifies that a day in which the Clerk of Circuit
27 Courts Office is closed does not count toward the computation of the detention
28 hearing timeline under Chapter 938. This will ensure county governments are in a
29 better position to save limited resources and protect the safety of their employees
30 and the public.

31
32 NOW THEREFORE, the undersigned members of the Health and Human Services
33 Committee and Public Safety Committee recommend adoption of the following resolution.

34 BE IT RESOLVED, that the Outagamie County Board of Supervisors does support
35 pending legislation that would correct a discrepancy between parallel statutes that compute the
36 detention hearing timelines for Children in Need of Protection (CHIPS) proceedings under State

Resolution No. 130—2019-20

1 Statutes Chapter 48 (the Children’s Code), and juvenile delinquency cases under Chapter 938
2 (the Juvenile Justice Code), by specifying that a day in which the Clerk of Circuit Courts Office
3 is closed does not count toward the computation of the detention hearing timeline under Chapter
4 938 which will ensure county governments are in a better position to save limited resources and
5 protect the safety of their employees and the public, and

6 BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward
7 a copy of this resolution to all Wisconsin Counties, the Wisconsin Counties Association, and the

Commitment to Veteran Support and Outreach (CVSO) Act

The CVSO Act will expand community-based outreach that will help veterans access services to improve their health and wellness and prevent suicides

The Problem

The number of veteran suicides nationwide continues to rise, and approximately 14 of the 20 veterans who die by suicide each day are not under Department of Veterans Affairs (VA) care. This national public health crisis requires a national approach that meets veterans where they're located. County Veteran Service Officers (CVSOs) are often the first point of contact in the community for veteran's services and they provide assistance on a range of benefits, including service-connected benefits, enrollment in VA health care, VA home loans, education benefits, and available job placement assistance. Veterans are not always aware of the available benefits, and CVSOs are often the first to inform them about their eligibility. CVSOs are local county employees who are nationally accredited by the VA to prepare, present, and prosecute VA claims. However, there is currently no federal funding directly available for CVSOs.

The Solution

The *CVSO Act* will authorize \$50 million annually for five years to expand and support CVSOs or similar local entities, who currently assist veterans in obtaining over \$50 billion in benefits annually. The VA will award competitive grants to states to create, expand, or support programs that promote health and wellness, prevent suicide and reach veterans who need help navigating the often-burdensome VA process. States can submit an application containing a detailed plan for the use of these funds, and the Secretary will develop guidance for outcome measures to determine the effectiveness of the programs. Lastly, states must show that these federal funds do not simply supplant current state or local funding. By increasing the number of CVSOs, states will be better able to leverage their local and federal resources to serve our veterans.

Additional Information

CVSOs perform much of the VA's legwork for filing claims in their counties with a modest number of approximately 1,700 accredited representatives throughout 36 states and two Native American Tribes. These employees are responsible for successfully processing more than \$22 billion in claims annually for direct compensation and pension benefits for veterans. If health care and ancillary benefits are included, that number rises to more than \$52 billion. States without CVSOs will also benefit from this legislation because it allows the Secretary to partner with comparable state, local or tribal entities, including Tribal Veteran Service Officers.

Cosponsors

The legislation is cosponsored by Senators Tammy Baldwin (D-WI), Dan Sullivan (R-AK), Jon Tester (D-MT) and Steve Daines (D-MT).

Support

The legislation is supported by the National Association of Counties (NACo), the National Association of County Veteran Service Officers (NACVSO), the Wisconsin Department of Veterans Affairs, and many individual CVSOs, local officials and stakeholders in Wisconsin and Alaska.

INTENT & SYNOPSIS: To support the 116th Congress Senate Bill 3020 and House of Representative Bill 5516 the "Commitment to Veteran Support and Outreach Act" (CVSO Act).

FISCAL NOTE: None

WHEREAS, the number of veteran suicides nationwide continues to rise, and approximately 14 of the 20 veterans who die by suicide each day are not receiving care from the Veterans Health Administration. County Veteran Service Officers (CVSOs) are often the first point of contact in the community for veterans and are on the frontlines in this battle against veteran suicides by helping enroll veterans into the VA Health Administration. CVSOs also provide assistance to veterans on a range of benefits and services, including compensation benefits, VA home loans, education benefits and available job placement assistance. However, there is currently no federal funding support directly available for CVSOs, and

WHEREAS, there is pending legislation, the "Commitment to Veterans Support and Outreach Act" that authorizes the United States Secretary of Veterans Affairs to enter into contracts with States or to award grants to States to promote health and wellness, prevent suicide, and improve outreach to veterans. The CVSO Act will authorize \$50 million annually for five years to expand and support through County Veteran Service Offices if they exist or similar local entities if they do not exist. States must show that these federal funds do not simply supplant current state or local funding, and

WHEREAS, improved outreach to veterans improves the quality of life and the resources available to veterans and their families in Wood County.

NOW, THEREFORE, THE WOOD COUNTY BOARD OF SUPERVISORS HEREBY RESOLVES, to support pending legislation, known as the "Commitment to Veterans Support and Outreach Act" (CVSO Act) that authorizes the Federal Veterans Affairs Secretary to enter into contracts with States or to award grants to States to promote health and wellness, prevent suicide, and improve outreach to veterans, and

RE: IN SUPPORT OF THE WISCONSIN OPPORTUNITY ACT (SB 467, AB 508)

WHEREAS, the Institute for Research on Poverty reports that more than 1 in 10 Wisconsinites live in poverty, including 16.9% of all children in the state; and

WHEREAS, the 2017 *Wisconsin Poverty Report* shows that poverty has increased in the state; and

WHEREAS, 306,000 low-income Wisconsin renters pay more than half their income for housing; and

WHEREAS, 37.5% of Wisconsinites struggle to afford the necessities of housing, childcare, health care, food, and transportation, according to the 2018 United Way *ALICE Study of Financial Hardship*; and

WHEREAS, a recent community needs assessment conducted by our local Couleecap Community Action Program assessing barriers to economic stability experienced by low-income individuals and households revealed that over half of the low income households surveyed that received income from wages still had to rely on food pantries, and state and local safety net programs just to make ends meet for their families; that even with healthcare insurance 86% of households surveyed still listed healthcare accessibility, especially dental, vision, and mental health care as a significant barrier for their families; and 60% of people reported having difficulty paying for their utility bills and homeowners struggled to make home repairs that kept their homes safe, putting their housing at risk; and

WHEREAS, the Wisconsin Opportunity Act aims to provide the transformational investments that reduce poverty and fundamentally improve people's economic circumstances. This act furthers the goal of addressing the systemic barriers to achieving economic stability by providing housing, health, job training, and income supports; and

WHEREAS, the WOA is the result of extensive consultation with stakeholders and local communities and features fundamentally sound practices for improving the lives of low and moderate-income households across the state and enacting and implementing WOA will position our state as a leader in promoting inclusive economic development;

RESOLUTION NO. _____

TO: THE HONORABLE CHAIRMAN AND MEMBERS OF THE PORTAGE COUNTY BOARD OF SUPERVISORS

RE: TO CONDUCT A COUNTYWIDE ADVISORY REFERENDUM ON THE CREATION OF A NONPARTISAN PROCEDURE FOR THE PREPARATION OF LEGISLATIVE AND CONGRESSIONAL REDISTRICTING PLANS AND MAPS

WHEREAS, on June 20, 2017, the Portage County Board of Supervisors passed a resolution calling for nonpartisan legislative and congressional redistricting maps; and

WHEREAS, pursuant to Article IV, Section 3 of the Wisconsin Constitution, the Wisconsin Legislature is directed to redistrict state legislative districts “according to the number of inhabitants” at its next session following the decennial federal census. The legislature also reapportions congressional districts at the same interval pursuant to federal law; and

WHEREAS, the practice of redistricting by the majority party inhibits opposing political participation and competition, discourages collaboration and compromise, ensures continued control by the party in power, and lacks a non-partisan approach necessary to our democratic process and undermines the principle of one-person-one vote;

WHEREAS, some states, including Iowa, use a non-partisan redistricting system with a goal of creating compact district boundaries where voters have more continuity in their representation from the State Legislature to the U.S. House; and

WHEREAS, the current Wisconsin procedure allows the legislature of the majority party to prepare redistricting plans and maps that may result in unfair partisan plans and maps, allowing the legislature to choose its voters rather than the voters choosing their representatives, which is commonly referred to as gerrymandering.

NOW, THEREFORE, BE IT RESOLVED, that the Portage County Board of Supervisors does hereby authorize and approve the following Notice of Referendum required by Wis. Stat. §10.01(2)(c) and the referendum question set forth within that Notice, and directs the clerk to perform all necessary administrative functions to execute this resolution and to include this advisory referendum question on the earliest election ballot allowed by law, either April 7, 2020, or August 11, 2020:

**NOTICE OF ADVISORY REFERENDUM
PORTAGE COUNTY**

Question: Should the Wisconsin legislature create a nonpartisan procedure for the preparation of legislative and congressional district plans and maps?

YES _____

NO _____

EXPLANATION

YES VOTE

A "YES" vote means that you want the state legislature to create a nonpartisan procedure for the preparation of state legislative and federal congressional district plans and maps. A "YES" vote does not mean that the state legislature will necessarily create a nonpartisan procedure for the preparation of state legislative and federal congressional district plans and maps. A "YES" vote only means that the voters of Portage County want the state legislature to create such a procedure.

NO VOTE

A "NO" vote means that you do not want the state legislature to create a nonpartisan procedure for the preparation of state legislative and federal congressional district plans and maps. A "NO" vote does not mean that the state legislature will necessarily refuse to create a nonpartisan procedure for the preparation of state legislative and federal congressional district plans and maps. A "NO" vote only means that the voters of Portage County do not want the state legislature to create such a procedure.

BE IT FURTHER RESOLVED, that this resolution and the referendum shall be filed with the Portage County Clerk no later than 70 days prior to the earliest election ballot allowed by law, either the April 7, 2020, or August 11, 2020 election at which the question will appear on the ballot; and

BE IT FURTHER RESOLVED, that the County Clerk is directed to send results of the referendum to the Governor of the State of Wisconsin, the Wisconsin Counties Association, the Wisconsin Towns Association, the Wisconsin League of Municipalities, all members of the state legislature, and to each Wisconsin County Board.

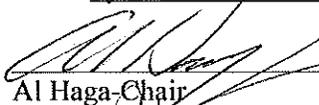

FISCAL NOTE: The financial impact of passing this resolution is not known at this time.
