# Door County Comprehensive and Farmland Preservation Plan 2035

## Map 9.2(A): Farmland Preservation Areas\* Unincorporated Southern Municipalities

This set of maps is a compilation of data gathered for evaluation purposes only.

Adopted by the Door County Board of Supervisors,  
December 16, 2014  
Effective upon distribution per Wisconsin State Statutes,  
January 1, 2015

NOTE: Larger-scale land use maps, including wetlands, may be viewed at:

| Farmland Preservation Categories |                            |
|----------------------------------|----------------------------|
|                                  | Farmland Preservation Area |
|                                  | Excluded Area              |
| Road Class                       |                            |
|                                  | State Highway              |
|                                  | County Highway             |
|                                  | Local Road                 |
|                                  | Water Bodies               |
|                                  | Major Wetland Areas        |
|                                  | Streams                    |

\*Note: In the event land use designations conflict between future land use and farmland preservation maps for the Town of Clay Banks, the farmland preservation map will supersede the future land use map.
