Please provide a description of your project.

§ 66.10015(2)(b), Wisconsin Statutes, provides as follows:

"If a project requires more than one approval or approvals from one or more political subdivisions and the applicant identifies the full scope of the project at the time of filing the application for the first approval required for the project, the existing requirements applicable in each political subdivision at the time of filing the application for the first approval required for the project shall be applicable to all subsequent approvals required for the project, unless the applicant and the political subdivision agree otherwise."

Please check which of the following two statements applies to this project.

- This is the first application filed for the project in which the full scope of the project has been identified. I acknowledge and understand that, for purposes of § 66.10015(2)(b), Wis. Stats., the full scope of the project is identified in this application.

- This is not the first application filed for this project where the full scope of the project was identified. The first application was filed with the Town/Village/City/County/State of _____ on the ____ day of _____, 20 _____. I acknowledge and understand that, for purposes of § 66.10015(2)(b), Wis. Stats., the full scope of the project was identified in the first application.

This Declaration is incorporated into and made part of the associated Door County application.

By signing and submitting this form, I also hereby authorize the Door County Staff to enter and remain in or on the premises for which this application is made at any reasonable time for all purposes of inspection relative to this application.
