

Door County Medical Center is the Door County Testing Facility Open to the Public

No referral, insurance or doctor's order needed

Testing will be submitted to insurance. You will not be billed for testing regardless of coverage

**The COVID-19 Screening Hotline is available Monday through Friday 8am-4:30pm
920.746.3700**

For other times, please call Prevea After Hours at 1-877-746-0003
Virtual COVID-19 Screening Now Available

For COVID testing on weekends in Door County:

If you are ill with COVID symptoms, testing is available through:

- Door County Medical Center Urgent Care, or Emergency Room.
- Aurora Clinic Urgent Care in Sturgeon Bay

COVID testing is also available at two area pharmacies via their drive up windows:
CVS Pharmacy in Sturgeon Bay https://www.cvs.com/store-locator/sturgeon-bay-wi-pharmacies/1407-egg-harbor-rd-sturgeon-bay-wi-54235/storeid=10419?WT.mc_id=LS_GOOGLE_FS_10419

Walgreens at 808 S Duluth Ave <https://www.walgreens.com/findcare/covid19/testing>

Order an **at-home collection kit at no cost, with or without symptoms or exposure.**

For information about testing sites outside of Door County, please go to the Wisconsin Department of Health Services testing webpage: <https://www.dhs.wisconsin.gov/covid-19/testing.htm>
