INFLUENZA AND COVID-19 VACCINE DRIVE-THRU CLINIC HOURS EXPANDED

Door County Public Health is expanding their drive-thru clinic hours at some locations in an effort to offer more opportunity to receive the Seasonal Influenza and Covid-19 Vaccine. Door County Public Health has Influenza and High-Dose Influenza (for those age 65 and older), Pfizer and Johnson and Johnson COVID-19 Vaccine available at drive-up clinics. We will offer Pfizer first dose, second dose and booster to those who are eligible. **You may receive both Influenza and COVID vaccine at the same time.**

The Centers for Disease Control (CDC) recommends that everyone 6 months and older get an annual flu vaccine. Adults may receive a booster shot of Pfizer-BioNTech’s (Pfizer) COVID-19 vaccine if your 1st and 2nd dose were Pfizer and it has been **at least six months after having received their second dose of the Pfizer vaccine.**

DOOR COUNTY PUBLIC HEALTH UPDATED VACCINE CLINIC SCHEDULE
Flu Vaccine for Adults and Children Age 4 and up
Pfizer COVID-19 Vaccine (age 12 and up) (1st, 2nd, and Booster)

There will be a \$39.00 fee (checks only) for the standard flu vaccine for adults. We will also be offering the high dose flu vaccine for those age 65 and older. **There will be a \$70.00 fee for the high dose vaccine for adults age 65 and older.** For adults with Medicare, Part B covers the cost of either vaccine; individuals with traditional Medicare Part B, Humana Medicare Advantage Plan, or United Health Care Medicare Advantage Plan are requested to bring their insurance cards to the clinic site. We are not able to bill other types of insurance. School aged children, age 4 through 18 years, can receive the vaccine free-of-cost to them at the drive thru clinic, regardless of insurance status, through a special state program. For children younger than age 4, please call us for an appointment at our office.

To help expedite the process we ask that you do the following:

1. Wear short sleeves and have your arm readily accessible
2. Have your Medicare card available (if applicable)
3. Payment \$39.00 or \$70.00 depending on vaccine preference (checks payable to Door County Public Health). **We can accept only checks or exact cash.**
4. **Please bring your COVID vaccination card with you to your appointment**
5. **Print and complete consent forms ahead of time.** Forms can be found on our website at [Door County COVID-19 Situation Update | Door County, WI](#) Forms will be available at the site if not completed ahead of time.
6. ***Cloth Face coverings are required***

Routine vaccination should be deferred for persons with suspected or confirmed COVID-19, regardless of symptoms, until criteria have been met for them to discontinue isolation. While mild illness is not a contraindication to vaccination, vaccination visits for these individuals should be postponed avoiding exposing healthcare personnel and other patients to the virus that causes COVID-19
