INSTRUCTIONS

1. PROPOSALS:

Proposals (original plus one duplicate) must be sealed in an opaque envelope labeled '*Architectural & Engineering Services JMP-Maintenance Garage - County of Door Proposal*' and be received by the Facility & Parks Director at on or before 12:30 p.m. on February 17, 2022. Proposals must also be submitted electronically, preferably in Adobe PDF, to ddenil@co.door.wi.us.

Proposals must set forth the scope of work to be completed and the qualifications of the individual or entity submitting the Proposal [hereinafter "proponent"]. Any deviation from the specifications or these instructions must be noted clearly and concisely. Legibility, clarity and completeness are essential.

Proposals must be signed (by the individual or by a duly authorized representative of the proponent) and dated. Proposals must remain firm for a period of ninety (90) days beyond the date of proposal opening.

Issuance of the request for proposal does not confer any rights to any prospective proponent and does not obligate Door County to enter in to a purchase of services agreement. Any costs associated with the preparation of a response to the request for proposal shall be the sole responsibility of the proponent.

The County will use discretion with regards to disclosure of proprietary information contained in any proposal, but cannot guarantee that information will not be made public. As a governmental entity, Door County is subject to Wisconsin's Public Record Law. Any confidential or proprietary information should be clearly marked as such.

Once submitted, the proposals and any supplementary documents become the property of Door County.

2. QUALIFICATIONS OF PROPONENT:

Proponent shall be licensed, certified, accredited, and/or meet all of the necessary qualifications to perform the work contemplated. Door County may make that investigation as it deems necessary to determine the ability of the proponent to perform the work. Door County reserves the right to reject any proposal if the proponent fails to satisfy the County that the individual or entity is qualified to perform the work contemplated.

Door County may, in its sole discretion, require proponents to submit sworn statements as to financial ability, equipment and experience in the work prescribed and other matters that the County requires for the protection and welfare of the public in the performance of a public contract. Persons or entities offering Proposals are strongly encouraged to incorporate such information in to their Proposals.

3. CONSIDERATION/AWARD OF CONTRACT:

Door County reserves the right to reject or accept any or all proposals, or parts thereof, and/or waive technical defects and informalities.

Door County will consider all elements entering into the question determining the qualifications and responsibility of the proponent. A qualified and responsible proponent is one who is not only financially able, but who is possessed of the judgment, skill, ability,

capacity and integrity requisite and necessary to perform a public contract according to its terms.

Door County may supplement or change specifications during this process. Notice of supplementation or change shall be given through the issuance of an addendum. Any addendum will be forwarded to all persons who have requested a proposal packet or submitted a proposal and will be posted on-line at <http://www.co.door.wi.gov/>.

Door County and/or its designee may choose to conduct interviews of qualified and responsible proponents. Further, qualified and responsible proponents may be required to make presentation[s] to Door County or its designee.

This is a hybrid procurement process. Door County reserves the ability to negotiate with proponents and the right to accept proposals other than the lowest cost proposal.

4. CONTRACT:

The successful individual or entity shall execute a purchase of services contract, substantially similar to that included with the instructions and specifications, within fifteen (15) days after notice of award of the contract is given. The request for proposal, instructions, specifications, and proposal in their entirety form the primary basis of the contract.

Door County reserves the right to supplement the contract after bid consideration and award. County will *consider* supplemental contractual language submitted by the selected proponent concurrent with their proposal.

5. LAWS AND REGULATIONS:

The successful individual or entity must be cognizant of and shall comply with all applicable federal, state, and municipal laws, orders, ordinances, regulations and rules. This includes, but is not limited to, to Sections 59.52(29), 66.0901, 779.14 and/or 779.15 Wisconsin Statutes, non-discrimination laws, equal employment obligations, affirmative action mandates, labor standards, and the Americans with Disabilities Act.

6. LATE PROPOSALS:

Proposals that are not timely received will not be accepted. Late proposals will be returned, unopened, to the proponent.

7. INDIVIDUAL'S OR ENTITY'S CERTIFICATE

Each individual or entity shall incorporate and make a part of their proposal a sworn statement by the individual or entity that the individual or entity has: examined and carefully checked the specifications and instructions; conducted a due diligence investigation; and have offered a fully compliant bid proposal.

Failure to comply with these Instructions may, in the exercise of Door County's discretion, result in the determination of a bid being deemed nonresponsive and be cause for the bid to be rejected.
